

WNF COVID-19 VACCINATION ATTESTATION FORM

For External Users without Workday Access

INSTRUCTIONS

Beginning on July 7, the University of Washington is requiring personnel to either verify that they have been fully vaccinated or declare a medical, religious, or philosophical exemption.

Washington Department of Labor and Industries regulations require employers to verify that personnel are fully vaccinated before allowing them to go without face covering at work.

In an effort to comply, beginning on July 19th WNF requires all users regardless of other affiliation with the University to similarly verify their vaccination status or declare an exemption. Those with Workday access must do so through Workday. This form is for use only by those without Workday access.

Complete the form below and submit it to WNF's COVID-19 Site and Personnel Supervisors. This form must be handed in physically. DO NOT EMAIL THIS FORM.
